

A Matter Of Trust

Billy Joel

One, two, one, two, three, four!

D **Bm7** **D** **Bm7**

D Some love is just a **1/2A** lie of the **1/2Bm7** heart

D The cold remains of what be **1/2A** gan with a **1/2Bm7** passionate **F#m** start

And they | may not want it to **A** end

But it **1/2A** will it's just a **1/2A7** question of **D** when

I've lived long e **1/2A** nough to have **1/2Bm7** learned

D The closer you get to the **1/2A** fire the **1/2Bm7** more you get **F#m** burned

But | that won't happen to **A** us

Because it's **1/2A** always been a **1/2A7** matter of **D** trust

Bm7 **D** **Bm7**

D I know you're an e **1/2A** motional **1/2Bm7** girl

D It took a lot for you to **1/2A** not lose your **1/2Bm7** faith in this **F#m** world |

I can't offer you **A** proof

But you're **1/2A** gonna face a **1/2A7** moment of **D** truth

It's hard when you're **1/2A** always a **1/2Bm7** afraid

D You just recover when a **1/2A** nother be **1/2Bm7** lief is be **F#m** trayed

So | break my heart if you **A** must

It's a **1/2A7** matter of **1/2A** trust

You **Em7** can't go the | distance with **F#m** too much re|sistance
I **G** know you have **F#m** doubts but for **A** God's sake don't shut me **G** out

D This time you've got **1/2A** nothing to **1/2Bm7** lose
D You can take it, you can **1/2A** leave it what **1/2Bm7** ever you **F#m** choose
I | won't hold back any **A** thing
And I'll **1/2A** walk a way a **1/2A7** fool or a **D** king
Some love is just a **1/2A** lie of the **1/2Bm7** mind
D It's make believe until its **1/2A** only a **1/2Bm7** matter of **F#m** time
And | some might have learned to ad**A** just
But then it **1/2A** never was a **1/2A7** matter of **D** trust

Bm7 D Bm7 D Bm7 A |

I'm **Em7** sure you're a | ware love
We've **F#m** both had our | share of
Be **G** lieving too **F#m** long
When the **A** whole situation was **G** wrong

D Some love is just a **1/2A** lie of the **1/2Bm7** soul
D A constant battle for the **1/2A** ultimate **1/2Bm7** state of con**F#m** trol
After | you've heard lie upon **A** lie
There can **1/2A** hardly be a **1/2A7** question of **D** why
Some love is just a **1/2A** lie of the **1/2Bm7** heart
D The cold remains of what be **1/2A** gan with a **1/2Bm7** passionate **F#m** start
But | that can't happen to **A** us
Because it's **1/2A** always been a **1/2A7** matter of **D** trust
