

All Summer Long

Kid Rock

1/2D **1/2C** **G** x4

It was **1/2D** nineteen eighty-**1/2C**nine, my thoughts were **G** short my hair was long

1/2D Caught somewhere be**1/2C**tween a boy and **G** man

1/2D She was seven**1/2C**teen and she was **G** far from in between

It was **1/2D** summertime in **1/2C** Northern **G** Michigan

1/2D **1/2C** **G** x2

1/2D Splashin' thru the **1/2C** sandbar, **G** talkin' by the campfire

It's the **1/2D** simple things in **1/2C** life like when and **G** where

We **1/2D** didn't have no **1/2C** internet, but **G** man I never will forget

The **1/2D** way the moonlight **1/2C** shined upon her **G** hair

Chorus

And we were **1/2D** tryin' different **1/2C** things and we were **G** smokin' funny things

Makin' **1/2D** love out by the **1/2C** lake to our favorite **G** songs

Sippin' **1/2D** whiskey out the **1/2C** bottle not **G** thinkin' 'bout tomorrow

Singin' **1/2D** sweet home Ala**1/2C**bama all **G** summer long

Catchin' **1/2D** walleye from the **1/2C** dock watchin' **G** waves roll off the rocks

She'll for **1/2D**ever hold a **1/2C** spot inside my **G** soul

We'd **1/2D** blister in the **1/2C** sun we couldn't **G** wait for night to come

To **1/2D** hit that sandy **1/2C** place of rock 'n **G** roll

Repeat Chorus

G

1/2D 1/2C G x10

Now **1/2D** nothin' seems as **1/2C** strange as when the **G** leaves began to change

Oh, **1/2D** how we thought those **1/2C** days would never **G** end

Some **1/2D** times I hear that **1/2C** song and I'll **G** start to sing along

And think **1/2D** man I'd like to **1/2C** see that girl a **G**gain |

And we were **1/2D** tryin' different **1/2C** things and we were **G** smokin' funny things

Makin' **1/2D** love out by the **1/2C** lake to our favorite **G** songs

Sippin' **1/2D** whiskey out the **1/2C** bottle not **G** thinkin' 'bout tomorrow
