D When it was time for leavin', he was **1/2C** much too **1/2G** tight
D He climbed behind the wheel and it **1/2C** cost him his **1/2G** life
He **Em** thought he knew better, and the **1/2D** odds he could **1/2G** beat
He said, "I'll **C** make it alright, don't you **D** worry for | me"

Chorus

It **G** can't
It **D** can't happen to **C** me, I got an | angel watchin' over me, it **G** can't
It **D** can't happen to **C** me, it's always | someone else you see, it **G** can't

He stepped **D** over the line to **1/2C** find some es **1/2G** cape
They **D** found him one night, lyin' **1/2C** face down in the **1/2G** rain
He **Em** thought he was stronger and the **1/2D** odds he could **1/2G** beat

I **D** wish I had a dollar for every **C** time I've heard it **G** said
"They'll **D** never get to me, cause I'm **C** quicker than the **G** rest"
The **D** night is closin' in and the **C** hounds are at my **Em** heels
But, I'm **C** always one step a **D** head **D** **D** **D** **D** **D** **D** **D**
