

# Lullaby

## Front Porch Step

I wrote you a **D** lullaby, | gonna try to **Bm** sing it right |  
Gonna try to **G** make you fall in **A** love with me tonight **D** |  
I'm gonna | sing it soft, | hope to God I **Bm** sing it well |  
My head's a **G**bove the clouds but my **A** heart's under your spell **D** |

If you **Bm** ever need a | thing from me, you **D** know I won't be | far  
You **G** ask me where I | want to be, I'll **A** show you where you **D** are |

Na na na, **D** na na na, na na **Bm** na  
Na na na, | na na na, na na **G** na  
Na na **A** na, na na na, na na **D** na |

I hear the **D** people talk, | I just try to **Bm** block them out |  
While their **G** lips are moving mine are **A** locked with your mouth **D** |  
So | take my hand, | I'll always try to **Bm** make you laugh |  
I'll sing this **G** lullaby while my **A** hands rub down your back **D** |

If you **Bm** ever need a | thing from me, you **D** know I won't be | far  
You **G** ask me where I | want to be, I'll **A** show you where you **D** are |

Just **D** call my **Bm** name, I'll | sing this song **G** and **A** watch you **D** dream |  
|  
Just | call my **Bm** name, I'll | sing this song **G** and **A** watch you **D** dream |

Well, I don't **D** have a heart, | I gave it to you **Bm** long ago |  
I'm so in **G**↓ love with you, I just **A**↓ thought that you should know **D**↓
