

# Rolling In The Deep

Adele

**Am** | | |

**Am** There's a | fire **Em** starting in my | heart  
**G** Reaching a | fever pitch, and it's **Em** bringing me out the **G** dark  
**Am** Final|ly, I can **Em** see you crystal | clear  
**G** Go ahead and | sell me out, and **Em** I'll lay your ship **G** bare

**Am** See how | I'll leave with **Em** every piece of | you  
**G** Don't under|estimate the **Em** things that I will **G** do  
**Am** There's a | fire **Em** starting in my | heart  
**G** Reaching a | fever pitch, and it's **Em** bringing me out the **G** dark

**F** | The scars of **G** your love, | remind me **Em** of us |  
They keep me **F** thinking that we | almost had it | all |  
The scars of **G** your love, | they leave me **Em** breathless |  
I can't help **E7** feeling |

## Chorus

We could have had it **Am** all, | **G** | rolling in the **F** deep | |  
You **G** had my heart in **Am** side | of your **G** hand |  
And you **F** played it | to the | beat **G**

**Am** Baby, | I have no **Em** story to be | told  
**G** But I've heard | one on you now I'm **Em** gonna make your head **G** burn  
**Am** Think of | me in the **Em** depths of your de|spair  
**G** Making | home down there, as **Em** mine sure won't be **G** shared

**F** | The scars of **G** your love, | remind me **Em** of us |  
They keep me **F** thinking that we | almost had it | all |  
The scars of **G** your love, | they leave me **Em** breathless |  
I can't help **E7** feeling |

## Repeat Chorus

Could have had it **Am** all, | **G** | rolling in the **F** deep | |  
You **G** had my heart in **Am** side | of your **G** hand |  
But you **F** played it | with a | beating **G**

**Am** Throw your|self through **Em** every open | door  
**G** Count your | blessings to **Em** find what you look **G** for  
**Am** Turn my | sorrow **Em** into treasured | gold  
You'll **G** pay me | back in kind and **Em** reap just what you **G** sow

**Am**↓ **G**↓  
We could have had it **F**↓ all **G**↓  
We could have had it **Am**↓ all **G**↓  
It **F**↓ all, it all, it **F**↓ all

## Repeat Chorus

We could have had it **Am** all, | **G** | rolling in the **F** deep | |  
You **G** had my heart in **Am** side | of your **G** hand |  
But you **F** played it, you | played it, you | played it, you | played it to the **Am**↓  
beat
