

Shout

Tears For Fears

Chorus

Gm Shout, shout, | let it all out

Bb These are the things I can | do without

Come **C** on, I'm | talking to you, come **Gm** on |

In **Bb** violent times, | you shouldn't have to **C** sell your soul |

In **Bb** black and white, | they really, really **C** ought to know |

Those **Bb** one track minds, | that took you for a **C** working boy |

Kiss **Bb** them goodbye, | you shouldn't have to **C** jump for joy |

You shouldn't have to (*over with Chorus*) jump for joy

Repeat Chorus

They **Bb** gave you life, | and in return you **C** gave them hell |

As **Bb** cold as ice, | I hope we live to **C** tell the tale |

I hope we live to (*over with Chorus*) tell the tale

Repeat Chorus

Gm |

Repeat Chorus

Bb | And when you've taken **C** down your guard |

If **Bb** I could change your | mind I'd really love to **C** break your heart |

I'd really love to (*over with Chorus*) break your heart

Repeat Chorus

Instrumental
