

What A Song Should Do

Tim Hicks

Intro

C **F** **C**

F If it don't make ya **C** dance, **F** it better make ya **C** think

F If it don't get you **C** sober, **F** it better make ya **C** drink

F Yeah, it's what you **Am** drive to, cry to **F** make you feel alive to

C When you got nothin' left to **F** lose

If they don't get you **C** laughin', or break your heart in **G** two

That's what a song should **C** do **F**↓

It should make you go **Am** hell, yeah, **F** me, too

C Yeah, that's what a song should **G** do

It should make you feel **Am** alright, **F** all night

C The four chords and the **G** truth, that's what a song should **C** do

F It's that old **C** record, **F** your daddy used to **C** play

F It's that first **C** dance, **F** on your weddin' **C** day

F Yeah, it should **Am** shape you, change you

F Break you down and break through

C Like you got nothin' left to **F** prove

Worthy of **C** words on your tat **G** too, that's what a song should **C** do

F It should make you go **Am** hell, yeah, **F** me, too

C Yeah, that's what a song should **G** do

It should make you feel **Am** alright, **F** all night
C The four chords and the **G** truth, yeah

It should be the **Am** soundtrack singin' every moment of your life
The **F** beat that'll keep the party goin' 'til the sunrise
C Can't help but sing along **G** to
It should make you go **Am** hell, yeah, oh me, **F↓** too
That's what a song should **C** do, **F** oh, yeah

(Whoa-**Am**whoa, whoa-**F**oh)
That's what a song should **C** do
That's what a song should **G** do
(Whoa-**Am**whoa, whoa-**F**oh)
It should mean somethin' to **C** you

G So what keeps it **C** goin'
F What puts that flicker in your **C** flame
F And when your candle **C** burns out
F What song they gonna **C↓** play, what song they gonna **nc** play

It should make you go **Am** hell, yeah, **F** me, too
C Yeah, that's what a song should **G** do
It should make you feel **Am** alright, **F** all night
C The four chords and the **G** truth, yeah

It should be the **Am** soundtrack singin' every moment of your life
The **F** beat that'll keep the party goin' 'til the sunrise
C Can't help but sing along **G** to
It should make you go **Am↓** hell, yeah, oh me, **F↓** too
That's what a song should **C↓** do
