

Wide Awake

Katy Perry

I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake, yeah, I was **Bb** in the dark
I was **F** falling hard with an **C** open heart
I'm wide a **Gm** wake
How did I **Bb** read the stars so **F** wrong **C**
I'm wide a **Gm** wake
And now it's **Bb** clear to me that every **F** thing you see
Ain't always **C** what it seems
I'm wide a **Gm** wake
Yeah, I was **Bb** dreaming for so **F** long

C I wish I knew **Gm** then what I know **Bb** now
Wouldn't dive **F** in, wouldn't bow **C** down
Gravity **Gm** hurts you made it so **Bb** sweet
Till I woke **F** up on, **C** on the concrete

Chorus

Gm Falling **Bb** from cloud **F** 9 **C**
Gm Crashing **Bb** from the **F** hii-**C** liigh
I'm **Gm** letting **Bb** go to **F** night **C**
Yeah, I'm **Gm** falling **Bb** from cloud **F** 9

C I'm wide a **Gm** wake
Not losing **Bb** any sleep I picked up **F** every piece
And landed **C** on my feet
I'm wide a **Gm** wake
Need nothing **Bb** to complete my **F** self - no **C** oh
I'm wide a **Gm** wake
Yeah, I am **Bb** born again outta the **F** lion's den
I don't **C** have to pretend and it's too **Gm** late
The story's **Bb** over now, the **F** end

C I wish I knew **Gm** then what I know **Bb** now
Wouldn't dive **F** in, wouldn't bow **C** down
Gravity **Gm** hurts you made it so **Bb** sweet
Till I woke **F** up on, **C** on the concrete

Repeat Chorus

Gm Thunder **Bb** rumbling, **F** castles **C** crumbling
Gm I am **Bb** trying to hold **F** oooo-**C** on
Gm God knows **Bb** that I tried **F** seeing **C** the bright side
Gm But I'm not **Bb** blind any-**F** mooo-**C** ore

I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake **Bb** **F** **C**

Repeat Chorus

I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake **Bb** **F** **C**
I'm wide a **Gm** wake
