G **C** | **D** x2

G Once upon a **C** time, | once when you were **D** mine

I **F** wonder where you **C** are, I **F** wonder if you **C** think about me

G Once upon a **C** time in your **D7** wildest **G** dreams **C** | **D**

G Once the world was **C** new, | our bodies felt the **D** morning dew that

G Greets the brand new **C** day, | we couldn't tear our **D7** selves away

I **F** wonder if you **C** care, I **F** wonder if you **C** still remember?

G Once upon a **C** time in your **D7** wildest **G** dreams **1/2C** **1/2G**

And **G** when the music **C** plays, and | when the words are **1/2D** touched with **1/2G**
sorrow

G When the music **C** plays, I | hear the sound I **1/2D** had to **1/2G** follow

G Once upon a **D7** time... |

G Once beneath the **C** stars, the | universe was **D** ours

G Love was all we **C** knew, and | all I knew was **D7** you

I **F** wonder if you **C** know, I **F** wonder if you **C** think about it

G Once upon a **C** time in your **D7** wildest **G** dreams **C** | **D**

G **C** | **D** x2

G Once upon a **C** time, | once when you were **D** mine

G I remember **C** skies, | mirrored in your **D7** eyes

I **F** wonder where you **C** are, I **F** wonder if you **C** think about me

G Once upon a **C** time in your **D7** wildest **G** dreams **C**

| In your **D7** wildest **G** dreams **C**

| In your **D7** wildest **G** dreams **C**
