

A Groovy Kind Of Love

Phil Collins

Strum "D---4321"

When I'm feeling **G** blue, all I have to **D** do
Is take a look at **G** you, then I'm not so **C** blue
When you're close to **Am** me, I can feel your **Bm7** heart beat
I can hear you **Am** breathing near my **D** ear
Wouldn't you a **G**gree, baby you and **D** me got a groovy kind of **G** love

Strum "d-Du-udu"

D Anytime you **G** want to, you can turn me **D** onto
Anything you **G** want to, anytime at **C** all
When I kiss your **Am** lips, ooh, I start to **Bm7** shiver
Can't control the **Am** quivering in **D**side
Wouldn't you a **G**gree, baby you and **D** me got a groovy kind of **G** love | **Am**
