

Against The Wind

Bob Seger

G |||

G It seems like yester | day

Bm7 But it was long ago |

C Janey was lovely she was the G queen of my nights

D There in the darkness with the raCdio playing low

And G the secrets that we | shared

Bm7 The mountains that we moved |

C Caught like wildfire G out of control

Till there was C nothin' left to burn and nothin left to D prove |

And I re 1/2Em7 member 1/2D what she said to G me

How she 1/2Em7 swore that it 1/2C never would end G

I re 1/2Em7 member how she 1/2D held me C oh, so tight |

Wish I didn't know now what I D didn't know then

G Against the Bm7 wind, C we were runnin' against the G wind

We were 1/2C young and 1/2Em7 strong

We were 1/2Am runnin a 1/2C against the G wind |

G |

G And the years rolled slowly | past

Bm7 And I found myself a | lone

C Surrounded by strangers I G thought were my friends

D I found myself further and C further from my home

And I G guess I lost my | way

Bm7 There were, oh, so many roads |

I was C livin' to run and G runnin' to live

Never D worryin' about payin' or even how C much I owed |

Runnin' 1/2Em7 8 miles a 1/2D minute for months at a G time

Breakin' 1/2Em7 all of the 1/2C rules that would bend G

1/2Em7 I begin to 1/2D find myself just C searchin'

| Searchin' for shelter D again and again

G Against the Bm7 wind, C a little somethin' against the G wind

I 1/2C found my 1/2Em7 self seekin' 1/2Am shelter a 1/2C against the G wind |

G ||| Bm7 | C G D C

G | Bm7 | C G D C |

Well those 1/2Em7 drifter's 1/2D days are past G me now

I've got 1/2Em7 so much 1/2C more to think a G bout

1/2Em7 Dead 1/2D lines and commitCments

| What to leave in? D What to leave out?

G Against the Bm7 wind, C I'm still runnin' against the G wind

I'm 1/2C older 1/2Bm7 now

But still 1/2Am runnin' a 1/2C against the G wind |

Well, I'm 1/2C older 1/2Bm7 now

But still Am runnin' Am↓ a 1/2nc against the G wind

1/2G A 1/2C against the G wind, 1/2G a 1/2C against the G wind

1/2G A 1/2C against the G wind, 1/2G a 1/2C against the G wind

1/2G A 1/2C against the G wind, 1/2G a 1/2C against the G wind

1/2G A 1/2C against the G wind, 1/2G a 1/2C against the G↓ wind
