

# Beat It

Michael Jackson

**Em** They told him don't you ever **D** come around here  
Don't **Em** wanna see your face, you better **D** disappear  
The **C** fire's in their eyes and their **D** words are really clear  
So **Em** beat it, just **D** beat it

**Em** You better run, you better **D** do what you can  
Don't **Em** wanna see no blood, don't **D** be a macho man  
You **C** wanna be tough, better **D** do what you can  
So **Em** beat it, but you **D** wanna be bad

## Chorus

Just **Em** beat it (*beat it*), **D** beat it (*beat it*)

**Em** No one wants to be de**D**feated

**Em** Showin' how funky, **D** strong it's your fight

**Em** It doesn't matter **D** who's wrong or right

Just **Em** beat it (*beat it*), just **D** beat it (*beat it*)

Just **Em** beat it (*beat it*), just **D** beat it (*beat it*)

**Em** They're out to get you, better **D** leave while you can

Don't **Em** wanna be a boy, you wanna **D** be a man

You **C** wanna stay alive, better **D** do what you can

So **Em** beat it, just **D** beat it

**Em** You have to show them that you're **D** really not scared  
You're **Em** playin' with your life, this ain't no **D** truth or dare  
They'll **C** kick you, then they beat you, then they'll **D** tell you it's fair  
So **Em** beat it, but you **D** wanna be bad

***Repeat Chorus x2***

***Instrumental***
