

Chasing Cars

Snow Patrol

A | We'll do it all, **E7** everything, **D** on our own **A**
| We don't need **E7** anything, **D** or anyone **A**

If I lay **A** here, if I just **E7** lay here
Would you lie **D** with me, and just forget the world **A**

A I don't quite know **E7** how to say **D** how I feel **A**
| Those three words, **E7** I said too much, **D** but not enough **A**

If I lay **A** here, if I just **E7** lay here
Would you lie **D** with me, and just forget the world **A**
Forget what we're | told, before we get **E7** too old
Show me a **D** garden that's bursting into life **A**

A Let's waste time, **E7** chasing cars, **D** around our heads **A**
| I need your grace **E7** to remind me, **D** to find my own **A**↓

If I lay **A** here, if I just **E7** lay here
Would you lie **D** with me, and just forget the world **A**
Forget what we're | told, before we get **E7** too old
Show me a **D** garden that's bursting into life **A**

All that I **A** am, all that I **E7** ever was
Is here in your **D** perfect eyes, they're all I can see **A**
I don't know | where, confused about **E7** how as well
Just know that these **D** things will never change for us at all **A**

If I lay **A** here, if I just **E7** lay here

Would you lie **D** with me, and just forget the world **A A↓**
