She **1/2C** said she'd bake some **1/2Dm** Gingerbread if **1/2G7** I would sweep the **1/2C** floor

She **D7** said if I would make the bed and **1/2D7** watch the tele**1/2G7** phone

That **D7** she would send me out to get a **1/2D7** chocolate ice cream **G7↓** cone

And so I **F** did, the things she **C** said, and then she **G7** made, some Ginger**C** bread

And I went **F** out, just me a **C** lone, and got my **G7** cho-colate ice cream **C** cone
