

Forever And Ever, Amen

Randy Travis

You **D** may think that **G** I'm talkin' **D** foolish |
You've **G** heard that I'm | wild and I'm **D** free |
You **G** may wonder | how, I can **D** promise you | now
This **E7** love that I | feel for you al**A**ways will be |
Well, **D** you're not just **G** time that I'm **D** killin' |
I'm **G** no longer | one of those **D** guys |
As **G** sure as I live, | this **D** love that I | give
Is **E7** gonna be | yours until the **A** day that I die, | oh baby

D I'm gonna **G** love you for **D**ever, | for **G**ever and | ever a **D**men |
As **G** long as old | men sit and **D** talk about the | weather
As **E7** long as old | women sit and **A** talk about old | men
If you **D** wonder how **G** long I'll be **D** faithful |
I'll be **G** happy to | tell you a **E7**gain |
G I'm gonna **A** love you for **D**ever and e**G**ver, for **E7**ever and **A** ever, a **D**men |

G A D G E7 A D |

They say **D** time takes it's **G** toll on a **D** body |
Makes the **G** young girls | brown hair turn **D** grey |
But **G** honey, I don't | care, I ain't in **D** love with your | hair
And if it **E7** all fell | out, well, I'd **A** love you any | way
They say that **D** time can play **G** tricks on a **D** memory |
Make **G** people for | get things they **D** knew |
But it's **G** easy to | see, it's **D** happenin' to | me
I've **E7** already for | gotten every **A** woman but you, | oh darlin'

D I'm gonna **G** love you for **D**ever, | for **G**ever and | ever a **D**men |
As **G** long as old | men sit and **D** talk about the | weather
As **E7** long as old | women sit and **A** talk about old | men
If you **D** wonder how **G** long I'll be **D** faithful |
Just **G** listen to | how this song **E7** ends |
G I'm gonna **A** love you for **D**ever and e**G**ver, for **E7**ever and **A** ever, a **D**men |
G I'm gonna **A** love you for **D**ever and e**G**ver, for **E7**ever and **A** ever
For **D**ever and e**G**ver, for **E7**ever and e**A**ver, a **D**men
