

Freight Train

Fred Eaglesmith

Intro

Am **F** **G** **Am** x2

Well I **Am** just came down the Chippewa I had a **F** station wagon and a hundred dollars

I was **G** thinkin' 'bout the girl I'd lost the **Am** year before

Well I | hadn't seen her for some time I **F** thought that I might go on by

When your **G** memory came floodin' in and **Am** closed that door

Chorus

Wish I was a **Am** freight train baby

Wish I was a **F** diesel locomotive

I'd come **G** whistlin' down your track

And **Am** crashin' in your door

Wish I was a | freight train baby

Wish I didn't **F** have a heart

And you'd need a **G** shovel full of coal

Am Just to get me started

Wish I was a | freight train baby

Wish I was a **E7** freight train | |

Am Every time I talk to you, well I **F** hear your jealous lies

I feel like **G** I've been left abandoned on some **Am** old railway sidin'

And | every time I hear your voice, my **F** water just gets cold

My **G** stoker will not stoke, and my **Am** boiler will not boil

Repeat Chorus

Am **F** **G** **Am** x2

Am Every time I fell behind and I **F** could not get ahead
I wish some **G**one would pull a lever and give **Am** me a little sand
And | every time I slipped behind, hey, **F** even further back
I wish some **G** switch man would come out of the fog and **Am** change my track

Repeat Chorus

E7 | | | **Am**↓
