

Hey Everybody

5 Seconds Of Summer

E6 | | |

E6 She maxed her credit cards and | don't got a job

| She pays the gas with all the | change in her car

It's not the **D** end of the road,

Yeah, we've all **A** been there before and it goes

E6 Oh-oh-oh-oh, | oh-ohoh-oh-oh

E6 He's walking home 'cause he | can't pay for the bus

| He needs a dollar but he | ain't got enough

It's not the **D** end of the world,

Yeah, we've all **A** been there before and it goes

E6 Oh-oh-oh-oh, | oh-ohoh-oh-oh

Chorus

E6 Hey, every | body we don't have to **D** live this way |

We can **A** all get some, | yeah, we can **E6** all get paid |

So what you | say every | body? Gotta live it **D** up today |

We can **A** all get some, | yeah, we can **E6** all get paid |

E6 Oh-oh-oh-oh, | oh-ohoh-oh-oh

E6 Oh-oh-oh-oh, | oh-ohoh-oh-oh

E6 Don't have your rent and it's the | first of the month
| Your bank account has got | insufficient funds
We can't **D** afford to give up
We gotta **A** make our own luck and it goes
E6 Oh-oh-oh-oh, | oh-ohoh-oh-oh

E6 Work every weekend just to | get out of town
| Everyone says that you'll just | turn back around
And what's **D** ironic to me
The ones that **A** don't ever leave think that they
E6 Know-oh-oh-oh, | oh-ohoh-oh-oh

Repeat Chorus

E6↓ Hey, every **E6**↓ body we don't have to **D**↓ live this way **D**↓
We can **A**↓ all get some, **A**↓ yeah, we can **E6**↓ all get paid **nc**
So what you **E6** say every | body? Gotta live it **D** up today |

E6 Hey-ey- | ey-ey- | ey, gotta live it **D** up today
A Oh-oh- | oh-oh, **E6** yeah, we don't have to **E6**↓ live this way
