Well, **G** you done done me and you bet I felt it  
I **D** tried to be chill but you're so hot that I melted  
I **Em** fell right through the cracks now I'm **C** trying to get back  
Before the **G** cool done run out I'll be giving it my bestest  
And **D** nothing's going to stop me but divine intervention  
I **Em** reckon it's again my turn to **C** win some or learn some  
  
But **G** I won't hesi**D**tate no more, no **Em** more  
It cannot **C** wait, I'm yours

**G D Em C**

**G** Well, open up your mind and see like **D** me  
Open up your plans and damn you're **Em** free  
Look into your heart and you'll find **C** love, love, love, love  
**G** Listen to the music of the moment people dance and **D** sing  
We're just one big fami**Em**ly  
And it's our God-forsaken right to be **C** loved, love, loved, love, **A7**↓ love

So **G** I won't hesi**D**tate no more, no **Em** more  
It cannot **C** wait, I'm sure  
There's no **G** need to compli**D**cate our time is **Em** short  
This is our **C** fate, I'm yours

I've been **G** spending way too long checking my tongue in the mirror  
And **D** bending over backwards just to try to see it clearer  
But my **Em** breath fogged up the glass  
And so I **C** drew a new face and I laughed  
**G** I guess what I be saying is there ain't no better reason  
To **D** rid yourself of vanities and just go with the seasons  
It's **Em** what we aim to do our **C** name is our virtue

But **G↓** I won't hesi**D↓**tate no more, no **Em↓** more it cannot **C↓** wait, I'm  
yours

**G** Open up your mind and see like **D** me  
Open up your plans and damn you're **Em** free  
Look into your heart and you'll find that **C** the sky is yours

**G** So please don't, please don't, please don't  
There's no **D** need to complicate  
'Cause our **Em** time is short  
This is, this is, this is our **C** fate  
I'm yours **A7↓**
