

Love Yourself

Justin Bieber

For all the **C** times that you **G** rain on my pa**Am**rade **nc**
And all the **Dm** clubs you get in **C** using my **G** name **nc**
You think you **C** broke my heart, oh **G** girl for goodness **Am** sake **nc**
You think I'm **Dm** crying, on my **C** own, well I **G** ain't **nc**
And I didn't wanna **C** write a song **G** cause I didn't want **Am** anyone thinking
nc I still care

I **Dm** don't but, **C** you still hit my **G** phone up **nc**
And baby I'll be **C** movin' on **G** and I think you **Am** should be somethin' **nc**
I don't wanna **Dm** hold back, **C** maybe you should **G** know that **nc**

My mama don't **Am** like you and **F** she likes every**C**one **nc**
And I never **Am** like to **F** admit that I was **C** wrong **nc**
And I've been so **Am** caught up in my **F** job, didn't **C** see what's going **G** on
And now I **Am** know, **F** I'm better **G** sleeping on my **G↓** own

Chorus

Cause if you **C** like the **G** way you **Am** look that **F** much
Oh, baby **C** you should go and **G** love your **C**self **nc**
And if you **C** think that **G** I'm still **Am** holdin' **F** on to somethin'
C You should go and **G** love your **C**self **nc**

But when you **C** told me that you **G** hated my **Am** friends **nc**
The only **Dm** problem was with **C** you and not **G** them **nc**
And every **C** time you told **G** me my opinion **Am** was wrong **nc**
And tried to **Dm** make me forget **C** where I came **G** from **nc**
And I didn't wanna **C** write a song **G** 'cause I didn't want **Am** anyone thinking
nc I still care

I **Dm** don't but, **C** you still hit my **G** phone up **nc**
And baby I'll be **C** movin' on **G** and I think you **Am** should be somethin' **nc**
I don't wanna **Dm** hold back, **C** maybe you should **G** know that **nc**

My mama don't **Am** like you and **F** she likes every **C**one **nc**
And I never **Am** like to **F** admit that I was **C** wrong **nc**
And I've been so **Am** caught up in my **F** job, didn't **C** see what's going **G** on
And now I **Am** know, **F** I'm better **G** sleeping on my **G↓** own

Repeat Chorus

C G Am F C G C nc x2

For all the **C** times that you **G** made me feel **Am** small **nc**
I fell in **Dm** love, now I feel **C** nothin' at **G** all **nc**
I never **C** felt so low when **G** I was vulnera**Am**ble **nc**
Was I a **Dm** fool to let you **C** break down my **G** walls? **nc**

Repeat Chorus x2
