

No Milk Today

Herman's Hermits

Am No milk today, my **C** love is gone away
The **1/2E7** bottle stands for **1/2Am** lorn, a **1/2E7** symbol of the **1/2Am** dawn

Am No milk today, it **C** seems a common sight
But **1/2E7** people passing **1/2Am** by, don't **1/2E7** know the reason **1/2Am** why

Chorus

A How could they know just **G** what this message means?
The **D** end of all my hopes, the **D:d-udu** end of **E7:du** all my **1/2A** dreams

A How could they know, a **G** palace there had been
D Behind the door where **D:d-udu** my love **E7:du** reigned as **1/2A** queen

Am No milk today, it **C** wasn't always so
The **1/2E7** company was **1/2Am** gay, we **1/2E7** turned night into **Am** day **A**

1/2A But all that's **1/2E7** left is a **1/2D** place dark and **1/2E7** lonely
1/2A A terraced **1/2E7** house in a **D:d-Du-udu** mean street back of town
1/2A Becomes a **1/2E7** shrine when I **1/2D** think of you **1/2E7** only
D Just two up two **E7** down

Am No milk today, it **C** wasn't always so
The **1/2E7** company was **1/2Am** gay, we **1/2E7** turned night into **1/2Am** day

Am As music played the **C** faster did we dance
We **1/2E7** felt it both at **1/2Am** once, the **1/2E7** start of our ro **1/2Am** mance

Repeat Chorus

Am No milk today, my **C** love is gone away
The **1/2E7** bottle stands for **1/2Am** lorn, a **1/2E7** symbol of the **Am** dawn **A**

1/2A But all that's **1/2E7** left is a **1/2D** place dark and **1/2E7** lonely
1/2A A terraced **1/2E7** house in a **D:d-Du-udu** mean street back of town
1/2A Becomes a **1/2E7** shrine when I **1/2D** think of you **1/2E7** only
D Just two up two **E7** down

Am No milk today, my **C** love is gone away
The **1/2E7** bottle stands for **1/2Am** lorn, a **1/2E7** symbol of the **1/2Am** dawn

Am No milk today, it **C** seems a common sight

1/2A But all that's **1/2E7** left is a **1/2D** place dark and **1/2E7** lonely
