

She Will Be Loved

Maroon 5

Am G Am G

Am Beauty queen of G only eighteen

She Am had some trouble G with herself

Am He was always G there to help her

She Am always belonged to G someone else

Am I drove for G miles and miles

And Am wound up at your G door

Am I've had you G so many times but Am somehow I want G more...

Chorus - Strum "d-Du-udu"

C I don't mind spending G everyday

Am Out on your corner in the G pourin' rain

C Look for the girl with the G broken smile

Am Ask her if she wants to F stay awhile

And she C will be G loved

And she Am will be F loved...

F Am Tap on my window, G knock on my door

I Am want to make you feel G beautiful

Am I know I tend to G get so insecure

Am It doesn't matter G anymore

Am It's not always G rainbows and butterflies

It's Am compromise that moves us G along

Am My heart is full and my G door's always open Am you can come anytime G you want

Repeat Chorus

And she C will be G loved

And she Am will be F loved...

Am I know where you G hide alone in your Am car

Know all of the G things that make you who you are

Am I know that good G bye means nothing at Am all

Comes back and begs me to G catch her every time she F falls.... |

Am Tap on my window, G knock on my door

Am I want to make you feel G beautiful

Repeat Chorus

And she C will be G loved

And she Am will be F loved... Am↓
