

Showdown

ELO

Am | | |

She **Am** cried to the southern wind |
About a **Em7** love that was sure to end |
Every **Dm** dream in her heart was gone |
Headin' for a **Am** showdown |

Am Bad dreamer, what's your name? |
Looks like we're **Em7** ridin' on the same train |
Looks as **Dm** though there'll be more pain |
There's gonna be a **Am** showdown |

Strum "D-duD-du" until single strum

And it's **Em7** rainin' | all over the **Dm** world |
It's **Em7** rainin' | all over the **Dm** world
Em7↓ Tonight, the longest **Am** night |

Am |

She **Am** came to me like a friend |
She **Em7** blew in on a southern wind |
Now my **Dm** heart is turned to stone again |
There's gonna be a **Am** showdown |
