

# Temptation Eyes

## The Grass Roots

**Am Am7 F E7** x2

**Am** She's got something that **Am7** moves my soul  
**D7** And she knows I'd **1/2F** love to **1/2E7** love her  
**Am** But she lets me down **Am7** every time  
Can't **D7** make her mine she's **1/2F** no-one's **1/2E7** lover  
To **F** night with me she'll **G** be so inviting  
| I want her all for **E7** myself

### Chorus

Ohh, **A** temptation **B7** eyes lookin' **A** through my-my **B7**-my soul  
**A** Temptation **B7** eyes, you got to **D** love me  
Got to **E7** love me to **Am** night **Am7 F E7**  
**Am Am7 F E7**

**Am** Her wild-eyed innocence is **Am7** just a game  
**D7** But just the same, my **1/2F** head is **1/2E7** spinnin'  
**Am** She's got a way to keep me **Am7** on her side  
It's **D7** just a ride that's **1/2F** never **1/2E7** endin'  
To **F** night with me she'll **G** be so excitin'  
| I want her all for **E7** myself

### Repeat Chorus

To **F** night with me she'll **G** be so excitin'  
| I want her all for **E7** myself

Ohh, **A** temptation **B7** eyes lookin' **A** through my-my **B7**-my soul  
**A** Temptation **B7** eyes, you got to **D** love me  
Got to **E7** love me to **A** night  
Temptation **B7** eyes lookin' **A** through my-my **B7**-my soul  
**A** Temptation **B7** eyes, you got to **D** love me  
Got to **E7** love me to **Am** night
